

Ballistic Vest Level III

Flexible Overt Protection

The Overt Genesis Armour Guard vest provides front and back protection. Possibility to increase the protection through add-on inserts. The vest combines high protection at low weight and excellent torso coverage with civil military and law enforcement application.

Standard Features

- Adjustment straps on shoulders and sides provide a firm and comfortable fit with Velcro closure
- Easy-care, dry-cleanable Cordura outershell
- Removable ballistic panels
- Pockets for additional hard armor inserts.

Options

- Custom sizes
- Custom colors
- Side protection with the option of additional ballistic inserts.

TERMS: Excluding VAT (If applicable).
Excluding shipping.
Available Ex JHB.
Volume discounts negotiable.
